Please note that we do **not** participate with United Health Care and Oxford. However, if your insurance card has Multiplan on the back and you have out of network benefits, the office visit may be paid for, at least in part, by your insurance.

Please note that we do **not** participate with GHI. However, if your insurance card has Qualcare on the back and you live in New Jersey, the office visit may be paid for, at least in part, by your insurance.

Always check to make sure that you have your latest insurance card. Check with Human Resources at your job regarding copays, deductibles, and out of network benefits.

If you **need a referral**, please bring it with you to the appointment. If you do not have it with you, then you will be asked to sign a form stating that you are responsible financially for the visit if the referral is not received and/or is received but is not dated so as to include the date of service.

The above list is subject to change. Please call our office with any questions.
